

(Junior) Linux Administrator (f/m/d)

Don't apply for just any job, apply for the job you deserve!

OTRS is not only world's leading provider of the open source help desk software, our career opportunities are also highly presentable! Being creator and source code owner of the **OTRS** product suite we are looking for new team members. Become a part of **OTRS** and apply now.

We offer:

As a **Junior Linux Administrator (f/m/d)** you are part of an international team that provides the best **OTRS** support to our customers worldwide. We work with and around **OTRS** on a daily basis. Apache, Mailserver, MySQL and their logfiles are part of our daily work environment. You will use your technical expertise for the following tasks:

- Processing qualified service requests in the ManagedOTRS environment.
- Together with your colleagues you will develop solutions for our customers.
- Accompanying installation and commissioning of ManagedOTRS systems.

Your Profile:

- Successfully completed studies in the IT field or comparable professional training.
- Knowledge of MySQL, Postfix, LDAP, SSO.
- Experience with the operation of heterogeneous server landscapes (focus on Linux).
- Excellent English skills (spoken and written) as well as a self-dependent and pragmatic way of working.
- „Nice to have“ are also knowledge in the areas of:
 - PostgreSQL,
 - ElasticSearch,
 - Mojolicious web server.

We are looking forward to your application!
